

Waltz

- Box Step - forward side together, back side together
- UAT - as stepping back on right foot, lift left hand, then side together forward, 1/4 turn R, side together, collect lady at end into closed position
- Hesitation - forward together rise fall, back together rise fall, left together, right together, box (use when in traffic jam)
- Progressive/Closed Changes - (used to switch between natural and reverse turns) forward side together, forward side together, etc.
- 1/4 Left - Basic box with 1/4 left each step
- 1/4 Turn Right - Basic box with 1/4 turn right each time, led off right foot forward (will need progressive to make the switch to this turn)
- Two-way UAT - UAT, when come to meet her have a rounded frame, lead reverse UAT turn as twinkle left, open twinkle, collect for final regular twinkle
- Face-to-face Back-to-back - UAT, meet with strong frame, stop with uplifted right hand, open lock, step collect, twinkle closed (or can collect and do second half of box)
- 3/8 Turn Combos - natural turn, closed change, reverse turn
- Simple Twinkle - forward side together, pivot hips 1/8 turn left (pivot lady 1/8 right), cross left in front of right, step side together to closed position
- Turning Twinkles - simple twinkle except instead of stepping side together at the end of it, step 1/4 back with left then together pivoting your lady to face opposite direction as you outside partner, step back side together, collect for final twinkle
- Fallaway Twinkle - simple twinkle except instead of stepping side together at the end of it, step across with right foot, hold, then step back into original position for final simply twinkle
- Open Twinkle - simple twinkle, lead partner away to open position at end, twinkle forward into closed position, can end with another simple twinkle
- Progressive Twinkles - twinkle back and forth, but need to pivot your lady to where her back faces the direction you're headed in, end when left foot free for box
- Promenade Chasse - twinkle, chasse on counts "2 + 3" on toes with sway, end twinkle
- Twinkle and Weave - twinkle, pivot on rise of left foot 1/4 turn left, fall and step back, pivot 1/2 turn right on rise of right foot pivoting lady outside partner to step forward as you step back side together, collect at end
- Fallaway and Rock - when DC, step forward, R foot LOD, close, step LOD with right, lock with left, pivot 1/4 turn left, ending with right locked behind left, pivot 123, step back side together, collect
- 3/8 Turn Combo with UAT - on second half of 3/8 turns, as for UAT; when doing natural turn, ask for reverse UAT; when doing reverse turn, ask for natural UAT
